SOLA LT

Balance **EXCEPTIONAL** ergonomics with fundamental value.

SOLA LT

The Sola LT represents a conscientious convergence of noteworthy value and comfort you can count on.

Bringing together comfort, aesthetics, and a healthy ROI, the Sola LT transcends the concept of an affordable standard chair. This mesh back, ergonomic chair balances postural support and value while optimizing the workplace.

ERGONOMIC ECONOMICS

The Sola LT is economic solution to office seating that doesn't compromise on ergonomic integrity. It balances comfort, postural support, and a great return on investment.

CONTOURED & COMFORTABLE

Like the Sola, the Sola LT features the BodyBilt seat pan, ergonomically engineered for seated comfort and with a levels of contouring to meet individual needs and preference.

FUNDAMENTAL FOCUS

All about the basics, the Sola LT focuses on providing the features required for ergonomic seating, from the curved design of the mesh back to the contours of the seat and all of its many adjustments.

ADJUSTABLE LUMBAR SUPPORT

The Sola LT's adjustable lumbar support moves easily through eight different heights. This puts critical lower back support at the perfect position for a much wider range of users.

ADJUST FROM YOUR SEAT

The Sola LT boasts multiple points of adjustment, including the seat, the arms, the back, and the lumbar support. All the adjustments you need from this ergonomic chair are within reach from a seated position.

LIGHTWEIGHT MESH BACK

As one of our lightest chairs, the Sola LT is easy to move when you need a change of view. Its mesh back design provides cool, reassuring support with the optimal amount of give.

STAIN-RESISTANT STYLE

Uncomplicated options make it quick and easy to integrate the Sola LT into your organization. With soil- and stain-resistant seat fabric in three popular colors, this chair is simple to maintain and lasts for years.
