SOLA

Modern mesh back style and BodyBilt's comfortable contours make the Sola a stand-out in office seating.

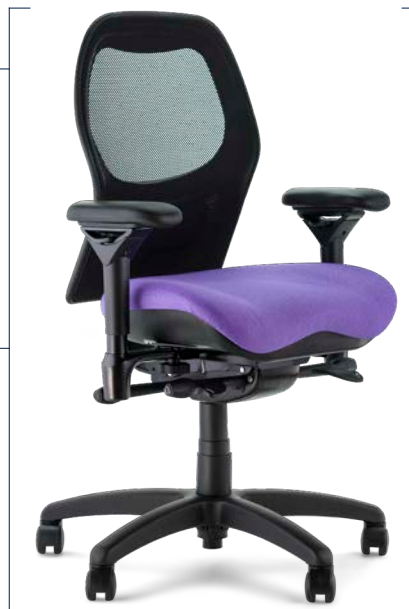

The chair's one-of-a-kind style illuminates the capabilities of clever, comfortable, and sensible seating. From the easily-adjustable lumbar support to the dependable design of the BodyBilt seat, it's a chair with a unique, natural draw.

MESH BACK MARVEL

Comfortable and contoured, the Sola's breathable mesh back blends support and comfort for your back. This versatile design makes it a great chair choice for the office.

CONTOURED & COMFORTABLE

Like all of our chairs, the Sola features the BodyBilt seat pan, ergonomically engineered for seated comfort and with a levels of contouring to meet individual needs and preference.

BETTER ON THE BASICS

From the curved design of the mesh back to the contours of the seat, the Sola is focused on providing ergonomic comfort with a more modern style.

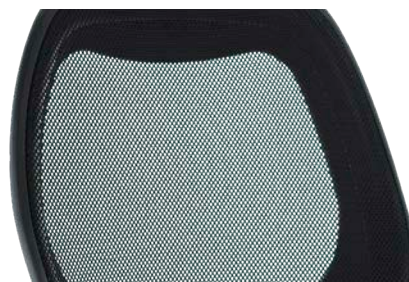

ADJUSTABLE LUMBAR SUPPORT

The Sola's adjustable lumbar support moves easily through eight different heights. This puts critical lower back support at the perfect position for a much wider range of users.

ADJUST FROM YOUR SEAT

The Sola boasts multiple points of adjustment, including the seat, the arms, the back, and the lumbar support. All the adjustments you need from this ergonomic chair are within reach from a seated position.

LIGHTWEIGHT MESH BACK

As one of our lightest chairs, the Sola is easy to move when you need a change of view. Its mesh back design provides cool, reassuring support with the optimal amount of give.

ADJUSTABLE ARMS

Optima arms provide a soft resting place to support your arms. They conveniently adjusting in height, angle, and width to provide the perfect positioning for every sitter.
