

KEYBOARD TRAYS

The perfect platform for your type of keyboard and mouse work.

Position yourself for efficient and comfortable typing and mouse use with a keyboard tray that works for you. From the effortless simplicity of a traditional keyboard tray to the versatility of adjustable mouse platforms, our keyboard tray selection is designed to meet your typing needs.

ERGOFUNCTION

At 27" in length and 11" in depth, the ErgoFunction extends the capabilities of your workspace and its capacity for comfortable keyboarding.

FEATURES

- Traditional keyboard platform with space for both keyboard and mouse
- Extends your work surface and promotes ergonomic typing
- Ease of motion between keyboard and mouse with both tools on the same platform
- Three mounting options to position tray in the center, to the left, or to the right of the support arm
- 27" antimicrobial palm rest for ergonomic comfort during typing breaks

ERGOFLUENT

The ErgoFluent speaks the language of ergonomics with ease and translates rapidly from right to left-handed use with its duo of mouse platforms.

FEATURES

- Our most popular keyboard tray for its convenience and versatility
- Maximum ergonomic functionality with the largest total width capacity
- Auxiliary platforms pull out from either side of the tray or can be stored under the tray when not in use
- Use the additional platforms for left or right-handed mouse work or simply to extend available work space
- Includes antimicrobial palm rests for keyboard tray and one auxiliary platform

ERGOFLIGHT

Soar above workstation constraints with the ErgoFlight's curved-edge tray and exceptionally adjustable fly-over mouse platform.

FEATURES

- Works with straight or split keyboards and can be used as keyboard only or with mouse platform
- Fly-over mouse platform attaches left or right and above or below the keyboard tray
- Mousing surface moves up, down, swivels, and rotates
- Mouse guard prevents the mouse from slipping off the tray
- Includes antimicrobial palm rest, keyboard skids, and mouse pad

COMPONETIZED CONVENIENCE

Each of our three keyboard trays is compatible with any of our keyboard mechanisms. Customize the keyboard system that suits your work style.
