

PENDUM SIT LEAN STOOL

BodyBilt®

Height Adjustment

Height is adjusted by the buttons easily found under the seat.

Gas Cylinder

Gas cylinder column is in silver epoxy powder coating.

Upholstery Material

Seat Pad is available in Red or Black Fabric.

Body

All visible shells are in black polypropylene.

Base Pad

The elastomer sole provides a secure grip on different floor surfaces.

NEUTRAL SPINE

The 135° open hip angle helps to rock the pelvis forward, creating a neutrally stacked lumbar. This serves as the foundation of a healthy spine posture.

FUN & FUNCTION

Pendum combines both play and function, for various types of spaces. Ideal for sit to stand tables, café areas, break room & gathering spaces.

SELF-BALANCING

Pendum regains neutral upright position when not in use.

FEATURES

Base:

A trumpet-shaped base further enhances the Pendum's sleek profile. An internal counter weight provides self-stabilizing action, while a soft elastomer sole grips different types of floor surfaces.

Seat Height Adjustment:

Seat height buttons are easily accessible under the seat. Height is controlled by a gas cylinder which is hidden by a cylindrical cover to give the Pendum a continuous form.

Handle

Sturdy handle for moving chair easily.
