DISINFECTANTS/CLEANERS COMPATIBLE WITH CUPRON® FABRICS

The following disinfectants and cleaners have been reviewed for compatibility with Cupron® chair mesh fabric. While not all of these disinfectants/cleaners have been physically tested, Cupron believes these to be compatible with Cupron® technology, based on the published technical information provided by the corresponding company/manufacturer and when used as per the guidelines/instructions provided on the label. Before using any of these cleaners, Cupron recommends testing a small inconspicuous area on the fabric to ensure no discoloration results prior to applying on larger areas.
