BodyBilt provides the most comfortable ergonomic solutions for government agencies – for both individual users and government agencies as a whole.

BodyBilt works to create an ergonomic and productive work environment for government organizations at all levels, including federal, state, and local agencies. Our innovative design approach has made us a leader in the ergonomic seating industry.

BodyBilt is now offering special savings on our most popular ergonomic chairs. The following pricing is effective for GSA through **September 30, 2021**.

Special promotional offer: Buy 20 or more, your shipping is free!

For quantities less than 20, standard shipping charges apply.
