COMPLETE CONTROL
OF YOUR COMFORT LEVEL

CLASSIC 2500 SERIES

HIGH-BACK TASK CHAIR

Shown as J2507

The Classic 2500 Series ergonomic, high-back task chairs are scientifically engineered to better position you in the workplace and in-home office, minimizing the physical stress resulting from limited mobility and repetitive motion. Our ergonomic task chairs can be adjusted in various ways because they have a unique 10-point posture control, allowing you to set your ergonomic chair to an unsurpassed level of comfort.

The Classic 2500 Series is available in a variety of seat options, mechanisms, and various optional features.
