Hand Made Construction

All BodyBilt chairs are handmade in our US manufacturing facility by a team of skilled craftsmen.

High Back Support

The high back ensures additional comfort for people sitting long periods of time.

Adjustable Arms

Five-Way Adjustable Arms in height and range.

Base and Caster Choices

Comes with our standard 26-inch base with carpet casters. Additional options are available.

Comfortable Neckroll

This neckroll was designed to provide ergonomic support of the neck with maximum adjustability. Dual pivot design allows user to set the neckroll in an unlimited number of positions.

Optional Air Lumbar

Air Lumbar allows you to adjust the level of lumbar support to perfectly meet your needs.

Seat Options

Available in Moderately Contoured, Flat, Contoured and Petite.

Mechanism Options

Your choice of different mechanism(s):
(J) multi-functional with center pivot
