This fabric has been treated with GreenShield high performance fabric protection, a patented fabric finish that is based on nature's own solution to water and stain repellency. GreenShield technology is safe and environmentally friendly, without the use of volatile organic chemicals and solvents.

- Certified for minimizing harmful fluorochemicals while delivering superior water and stain repellency
- Certified for Indoor Air Quality
- Anti-Odor (microbe and bacterial resistant)
- Lower overall chemical laydown for improved hand and enhanced recyclability
