

## REVEILLE CHAIR

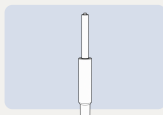

## ASSEMBLY INSTRUCTIONS

## + QUICK ASSEMBLY

- 1 Remove the chair top assembly and remaining parts from the box.
- 2 Place the five-star base upright on the floor.
- 3 Insert the pneumatic cylinder into the center of the base.
- 4 Position the chair top assembly directly over the cylinder.
- 5 Lower the chair top assembly onto the cylinder and press firmly.
- 6 If needed, use the included 5/16-inch Allen wrench to adjust arm width.
